

Red Headed Stepchild SBS

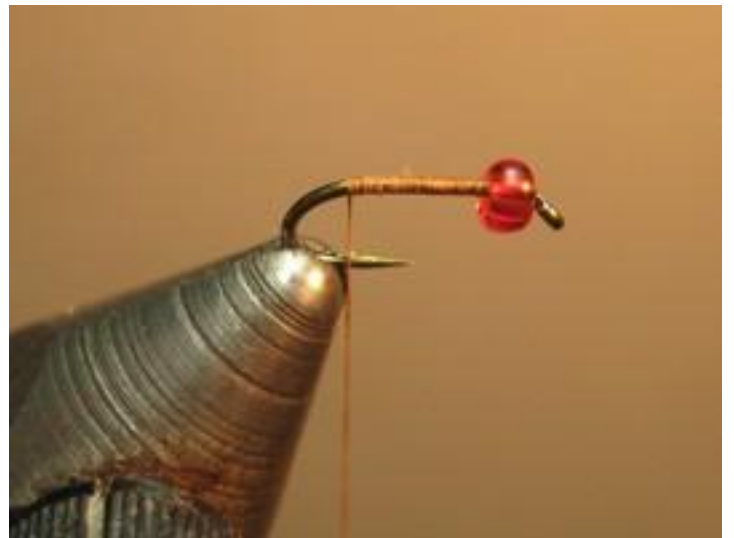

Materials Needed:

Hook - Tiemco 3769 #16-18
Thread - Gudebrod 10/0 brown
Tail - Pheasant tail fibers
Body - tying thread
Rib - UTC wire small red
Thorax - peacock
Legs - Krystal Flash red
Flashback - Mylar tinsel medium opal
Head - glass bead red

Mash down barb and slide bead on shank.

Tie in thread, wrap to point above barb.

Tie in pheasant tail fibers (shank length).

Tie in wire rib and wrap thread back to the head, trying to create a smooth body.

Spiral wire rib forward, tie off and helicopter wire to break.

Tie in tinsel flashback at the 60% mark.

Tie in peacock and create thorax.

Add Krystal Flash legs, near and far side.

Pull mylar tinsel over peacock, tie off.

Trim Krystal Flash legs (pull them back and trim at spot where tail starts) and you're done.
